## Directions to the first floor of the SEAY (campus abbreviation SEA) Building on the University of Texas campus

---

*Please note that the SEA building on the UT campus can be confusing to navigate if you have never been there. If you have any questions, do not hesitate to call us (512) 981-5397. We will get back to you as soon as possible.*

### If you are walking from within the University of Texas at Austin campus

---

*The SEA building is located on the corner of Dean Keeton and Speedway on the UT campus. (Note: some campus maps mislabel the building as the Psychology Building)*

We recommend entering the building at the NORTHERNMOST DOORS ON THE LEFT AS YOU WALK NORTH ON SPEEDWAY (i.e., away from the UT Tower).

When you walk inside, you should see a large sign that reads PRISCILLA POND FLAWN CHILD AND FAMILY LABORATORY (if you don't, you're in the wrong part of the building; please exit the building, walk to Speedway, and head north to the last entrance on the left).

Please have a seat in the waiting area upon your arrival.

### If you are driving to campus

---

*The SEA building is located on the corner of Dean Keeton and Speedway on the UT campus.*

This is what the SEA building looks like (at intersection of Speedway and Dean Keeton):

We recommend that you park in the parking garage JUST NORTH of the SEA building on SPEEDWAY.

Be sure to bring in your parking ticket so we can validate it for you (i.e., we pay your parking costs).

This is what the parking garage looks like as you approach it (heading NORTH on SPEEDWAY).

When you exit the parking garage, head **SOUTH** on **SPEEDWAY**. You'll see a children's playground and a walkway that is covered by vines.

Take that walkway and enter the **FIRST DOORS** on your **RIGHT**.

When you walk inside, you should see a large sign that reads PRISCILLA POND FLAWN CHILD AND FAMILY LABORATORY (if you don't, you're in the wrong part of the building; please exit the building, walk to Speedway, and head north to the last entrance on the left).

If you get there early, please have a seat and one of the study staff will be with you shortly. Thanks for participating. We look forward to seeing you soon!
